

Troop Photo Order Form

BRING HOME A LASTING MEMORY OF YOUR TRIP TO BTSR!!!

One of The first stops on your camp tour will be at the parade ground to have your Troop photo taken. **Please plan to arrive to camp with your Scouts in uniform, or at least have them handy so that the boys can put them on upon arrival to camp.** We have made arrangements with a photo lab in Midland to print all of our camp photos on high quality, glossy photo paper. All photos and orders must take place on Sunday so that we may send the disk to Midland immediately on Monday to ensure delivery by the end of the week.
